Proof of commencement of work shall be filed before July 20, 1923.

Work must be prosecuted with reasonable diligence and be completed on or before July 20, 1923.

Proof of completion of work shall be filed before August 20, 1923.

Application of water to beneficial use shall be made on or before September 20, 1927.

Proof of the application of water to beneficial use must be filed with State Engineer on or before October 20, 1927.

Proof of labor filed 2-20-23

Proof of completion 2-20-23

Map filed Oct 15, 1924

WITNESS MY HAND AND SEAL this 20th day of July, 1922.

Proof of beneficial use filed April 19, 1929

Certificate No. 164 Issued January 2, 1920

Recorded 123 6 Page

County Records

J. J. [Signature] State Engineer.

This permit is issued with the understanding that no water will be diverted from Cow Creek until after said Cow Creek ceases to reach the Salmon River, and with the further understanding that all prior rights on the stream system of which Cow Creek is a tributary will at all times be recognized and respected. A substantial headgate and weir must be installed and maintained at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is understood and agreed that any violation of the terms of this permit will constitute a forfeiture thereof.
